RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS

Sir:

In response to the Notice to File Corrected Application Papers ("the Notice") mailed on October 29, 2010, submitted herewith are the following items:

- A Replacement Sheet for Fig. 3; and
- A Replacement Sheet for Figs. 4 and 5; and
- A copy of the Notice.

Please note that while a drawing deficiency is identified in the Notice as that "[the] drawing is continued onto a second page (or more) without proper labeling under 37 CFR 1.84(u)(1). FIG(s)5", Applicant has contacted the Publication Division and been informed that the drawing deficiency instead concerns the hanging lead line in Fig. 5. Applicant has since

noticed that both Fig. 3 and Fig. 5 contain hanging lead lines and therefore now submits Replacement Sheets for both figures.

It is respectfully submitted that the Replacement Sheets filed herewith are in full compliance with 37 C.F.R. §§ 1.121(d) and 1.215 and are limited to the correction of informalities noted above.

Applicant's undersigned attorney may be reached in our New York office by telephone at (212) 218-2100. All correspondence should continue to be directed to our address given below.

Respectfully submitted,

/Leonard P Diana/
